ATTENTION: Secretary

Dear Sir:

The copy of CFR47 at the time of our filing RM-7681 was outdated. It was found that the rules originally quoted were consolidated and renumbered.

The enclosed errata sheet has been corrected for the updated CFR47 (PART 97). The intent of our original filing has not been changed.

An errata sheet for each commissioner is enclosed.

Sincerely:

Robert Charles Rogers, NBFAU

Donald LaBrenz II, WBBI

George Schemm, NBJAT

ERRATA

The Federal Communications Commission through the American Radio Relay League, Inc. has issued Special Temporary Authorities to allow an experimental HF packet system. This experiment has proven that HF packet is a viable networking possibility.

Most STA's have been issued to frequencies that allow
